

# AÑEJO FUNCTION PACKAGE

# ESPACIO

Located in the heart of Mission - this landmark space has been updated with warm and modern elements, while remaining true to its roots. The lounge is enlivened by a beautiful skylight that encompasses over half of the ceiling, and an original brick wall which is the backdrop to the bar hosting over 200 tequilas.

The natural elements of the building have been highlighted by authentic Mexican features, hand selected over many visits to Mexico. The room is inviting and comfortable for groups of all sizes. For groups over 16 people the entire Estrella Room must be booked.

# PRIVATE EVENTS

No matter the occasion - business or social, relaxed or formal - our events coordinator and management team will take all the time necessary to work with your group and provide you with the best menu and room configurations to suit your party's needs.
